Why Our Generals Don't Win

Stars and shoulder marks are prepared for a promotion ceremony (U.S. Air Force photo/Lt. Col. Robert Couse-Baker)

7 2023

om | By Gary Anderson

your article to opinions@military.com for consideration.

Operation Desert Storm was the last major conflict that the United States clearly won. It is no coincidence that it was also the last war directed by general officers who were not products of the Goldwater-Nichols and Skelton Panel professional military reforms in military structure and education.
